And What Have You

By BOB CRAIG

Now that was some game last Friday night wasn't it? It was a good thing that the boys were not as tired after the first half as we were or they would never have made it the second half.

It is amazing how this bunch of boys can turn a nip and tuck game into a runaway when they start breaking Phillip loose. With every team that we meet knowing that they must find some way to stop Phillip he still comes up with the big plays and the big yardage.

But as Coach Youngblood pointed out to the Booster Club Monday night a whole lot of credit is due to the fine job of blocking that he gets from the line and the other backs. As Joe says, Phillip played for us last year too. You can not find anyone that will sing the praises of the blockers any louder than does Simpson. While he makes a lot of yardage on his own you can watch him in the film as he just sticks in behind Donnie Smith and follows him up the field for big gains.

With both Milton and Terry injured the other night the defensive unit had its problems stopping the running of C-City's Dan Steakley. But they managed to regroup and come up with the big play when it was needed to hold a good offensive team to just six points.

Knowing the final outcome of the game we enjoyed the first half a whole lot more as we watched it Monday night on film than we did last Friday night working the sidelines.

While talking about watching the game on film we cannot but wonder why more people are not turning out for the Monday night meeting of the Booster Club. We think that it must be a little discouraging to the coaching staff to see so few interested enough to spend about an hour each week to see the film and to hear the scouting report on the game coming up.

These men are doing a tremendous job with our youngsters and they deserve more support than we have been giving them. The club meets every Monday night at 7 o'clock and there is always a special invitation out for the ladies. The meeting is in the high school cafeteria but we would like to see so many out that it would have to be moved to the auditorium.

Again this week we wish the Pipers the very best as they take on the Winters Blizzards here Friday night. We also would not mind if Colorado City and Anson have a good night too.

The other day Earl Crow brought by a picture of a 53 pound yellow cat that he helped get ashore over at Lake Stamford. The fish was caught by Jerry Baldwin, manager of the Fisharama.

Mr. Baldwin kept the fish alive and is going to have a fish fry later so Earl did not get to bring home any fish for his trouble. But he says he will go back for the fish fry.

Every once in a while we get back a real nice letter when we send renewal notices and the following from Clara and "Keg" Harvey is no exception.

Dear Folks,

I certainly will be glad to send in my subscription for another year.

My husband and I have a great interest in Hamlin. Our one, and only child lives there with her wonderful family. Mr. and Mrs. Ed Lewis, Tony and Tim.

We truly have a lot of wonderful friends there also.

We will always have a warm feeling in our hearts for "dear ole Hamlin." It has meant so much to us.

We have lived in South Texas since August, 1950. Mr. Harvey (Keg) is retired now after 34 years with Shell Pipe Line. He dabbles a little in Real Estate. I am a milliner, and work in a big department store in Houston, selling beautiful hats and hair pieces.

HULA HOOPS ARE BACK — A craze which hit the nation by storm some 10 years ago is returning to popularity with the current generation. Melissa Madden, Hamlin fourth grader, demonstrates the art of manipulating the Hula Hoop while Brenda Fry, Lori Driver and Linda Walden watch. The girls have become

quite adept with the art of circling the hoop at the neck, the waist and the knees. The new model of the Hula Hoop is now "with sound" which is made by the motion of a marble inside the hollow plastic tube. Local merchants have had to re-order to supply the demand.

Mrs. Holly Toler To Head TB Seal Campaign

Mrs. Holly Toler has been named 1967 Chairman of the Christmas Seal Campaign, according to an announcement by Leldon Clifton, president of the Jones County TB-RD Association.

"This is one of the most important jobs I have ever had," says Mrs. Toler. "Christmas Seals are a tradition with all of us, but few people realize how much good is accomplished with them. Ninety-six percent of the money stays right here in Jones County and Texas. The other four percent goes to the national TB-RD Association for important projects, including research."

"Locally, the money," Mr. Clifton continued, "pays for TB skin tests given to the first and seventh graders in our Jones County School System. It pays for follow-up x-rays on positive reactors who are unable to pay for them. It furnishes medicine for a former TB Sanatorium patient who is unable to do so to help with the rehabilitation of the patient upon his or her return to our county. A portion of the money is used to further research for all chest diseases."

Plans for conducting the campaign will be made in the next few weeks and announced to the public.

Jaycee Carnival Opens Monday

The Hamlin Jaycee Carnival will be held here Monday through Wednesday, Oct. 23-25, on the F & M National Bank parking lot.

Two new rides have been added to bring seven big attractions to the carnival. The rides include the small roller coaster, Ferris wheel, octopus, tilt-o-whirl, merry-go-round, caged kiddy Ferris wheel and large kiddy cars.

Wilma Jordan Joins Beauty Bar

Wilma Jordan started as an operator at Billie's Beauty Bar Tuesday. She has returned to Hamlin while her husband, Sgt. Billy Joe Jordan, is serving with the U. S. Army in Vietnam. He is from Aspermont and was employed by Celotex before entering the Army.

The family moved here from Ft. Bliss. They have two children, Billy, 9, and Lisa, 6. They attend First Baptist Church.

RAIN

Sunday afternoon rainfall measured .08 at City Pump Station.

Rain earlier this month, on Oct. 8, was .60.

Bennett Driver, Velanne Rowland Lead In Magazine, Herald Drive

A tie for top magazine salesman in the Magazine and Hamlin Herald Subscription Drive now being conducted by the P-TA was noted when reports were made Wednesday morning, according to Mrs. Kenneth Young, chairman.

Bennett Driver and Velanne Rowland are tied for the top spot in junior high magazine sales. Vicki Gruben is close behind with only one less subscription than the top two.

Martha Ellison is top in junior high in the sale of Herald subscriptions.

The junior high students are working toward individual prizes that are determined by the number of subscriptions that they sell.

In elementary school the students are working for room prizes with their sales of the Hamlin Herald. Students in Mrs. Earl Brown's fifth grade room are leading with Mrs. F. F. Shout's and Mrs. Gene Prewitt's fourth grade rooms running close for second place. Room prizes of \$5 for first

place, \$3 for second, and \$2 for third will be given in the elementary grades.

The drive closes Oct. 23.

Bake Sale Sat.

Faith Methodist Church will have a Bake Sale Saturday morning in front of the J. M. McDonald Company.

The sale will start at 9:30 a.m. and will last until the baked goods are sold.

Jackie Fletcher and Mildred Hymer attended classes at Glen and Lottie's School of Beauty in Abilene this week-end. Demonstrations and lectures were on the trend release from New York and other latest tips on hair care and styling.

Mrs. R. D. Moore, Mrs. L. H. McBride and Mrs. Bob Craig, all members of Women's Literary Club, attended the Mesquite District Workshop in Loraine Saturday.

Pipers to Host Winters Friday

The Pipers will be going for their second district win here Friday night when they host the Winters Blizzards in Piper Stadium with game time starting at 8 p.m. While the Pipers were downing Colorado City last week, 26-8, the Blizzards were dropping their opener to Haskell, 26-0.

While the Blizzards lost by a lopsided score, scouting reports indicate that the game still belonged to either team until the final period. In the other game in District 5-AA the Stamford Bulldogs edged out the Anson Tigers, 7-6.

When the Pipers and the Blizzards are playing here Friday night, Stamford will be hosting Colorado City and Anson and Haskell will be playing at Haskell.

Although the Blizzards have lost all but one game this year, Coach Joe Youngblood told the Booster Club Monday night that you can not sell them short as they have a big team and have been hurting from several injuries. He added that if they can get everyone well

they could be very strong. The Pipers will be seeking their first victory over Winters since they were added to this district in 1962. That year they downed the Pipers 14-6, in 1963 it was 22-6, in 1964 it was 22-2, in 1965 it was

All-Girl Rodeo Set Saturday

Two performances will be held Saturday in the All Girl Rodeo at the local arena. Shows will get underway at 2 and 8 p.m.

Events to be held are barrel race, flag race, pole bending, ribbon roping, wild cow milking, steer riding and surf board.

Admission is 25c for children and 75c for adults.

Brother Dies In Calif. Friday

Weitzel Proctor, 72, brother of Mrs. Jess Young, died at 7:30 a.m. Friday, Oct. 13, after suffering a heart attack at his home in San Leandro, Calif.

Services were held Monday in San Leandro and burial was in Westminster Memorial Park in Westminster, Calif.

Other survivors include his wife, Hortense; a daughter, Mrs. Clarence Marble, three grandchildren, all of Long Beach, Calif.; and one brother, Warren, of Springfield, Mo.

42-2, and last year it was 33-7. In 1961, the year the Pipers went into the playoffs, Winters won a nonconference tilt, 8-0.

Scouting reports indicate that Winters makes seven changes between their offensive and defensive units which gives them a lighter than usual offensive team but gives them a big, heavy team on defense.

Probable starters for the Blizzards will be Jay Hodnett, 140, and Alton Pierce, 150, at ends; Howard Thomas, 155, and Danny Killough, 175, at tackles; Biff White, 140, and Dick McNeill, 170, at guards; Stan Wilson, 165, at center; Fred Wilder, 165, at quarterback; Robert Moore, 150, at fullback; Arlon Barnes, 140, at tailback; and James Greer, 140, at wing-back.

On defense, Moore, Killough, Barnes and Greer will be joined by Mike Kozelsky, 160, Sam Scott, 190, Lanny Bahman, 210; Jimmy Vaughan, 205; Donald Wade, 170, Randy Boles, 165, and Charles Mathis, 135.

The Blizzards will be operating from the 1 formation with their wingback Greer being their fastest back.

OTHER ACTION

Thursday night the Piper B Team will host the Abilene B Team here at 7:45. The Freshman game scheduled with Coahoma has been cancelled.

Last week the Freshmen lost to Haskell, 38-8 and the B Team lost to Cooper B, 30-22.

Tuesday night the Eighth grade will play Colorado City here.

57 Boys Take Part In Punt, Pass, Kick Contest Here Saturday

A total of 57 boys, ages eight through 13, were on hand at Piper Stadium Saturday morning for the annual Punt, Pass and Kick contest sponsored by Connally Ford Sales and the Hamlin Jaycees.

Winners in the eight year old division were Tracy Lee Asher, first with a score of 113½; Paul Reynolds was second with 107; and Keith Early, third, with 94. Eleven boys competed in this division.

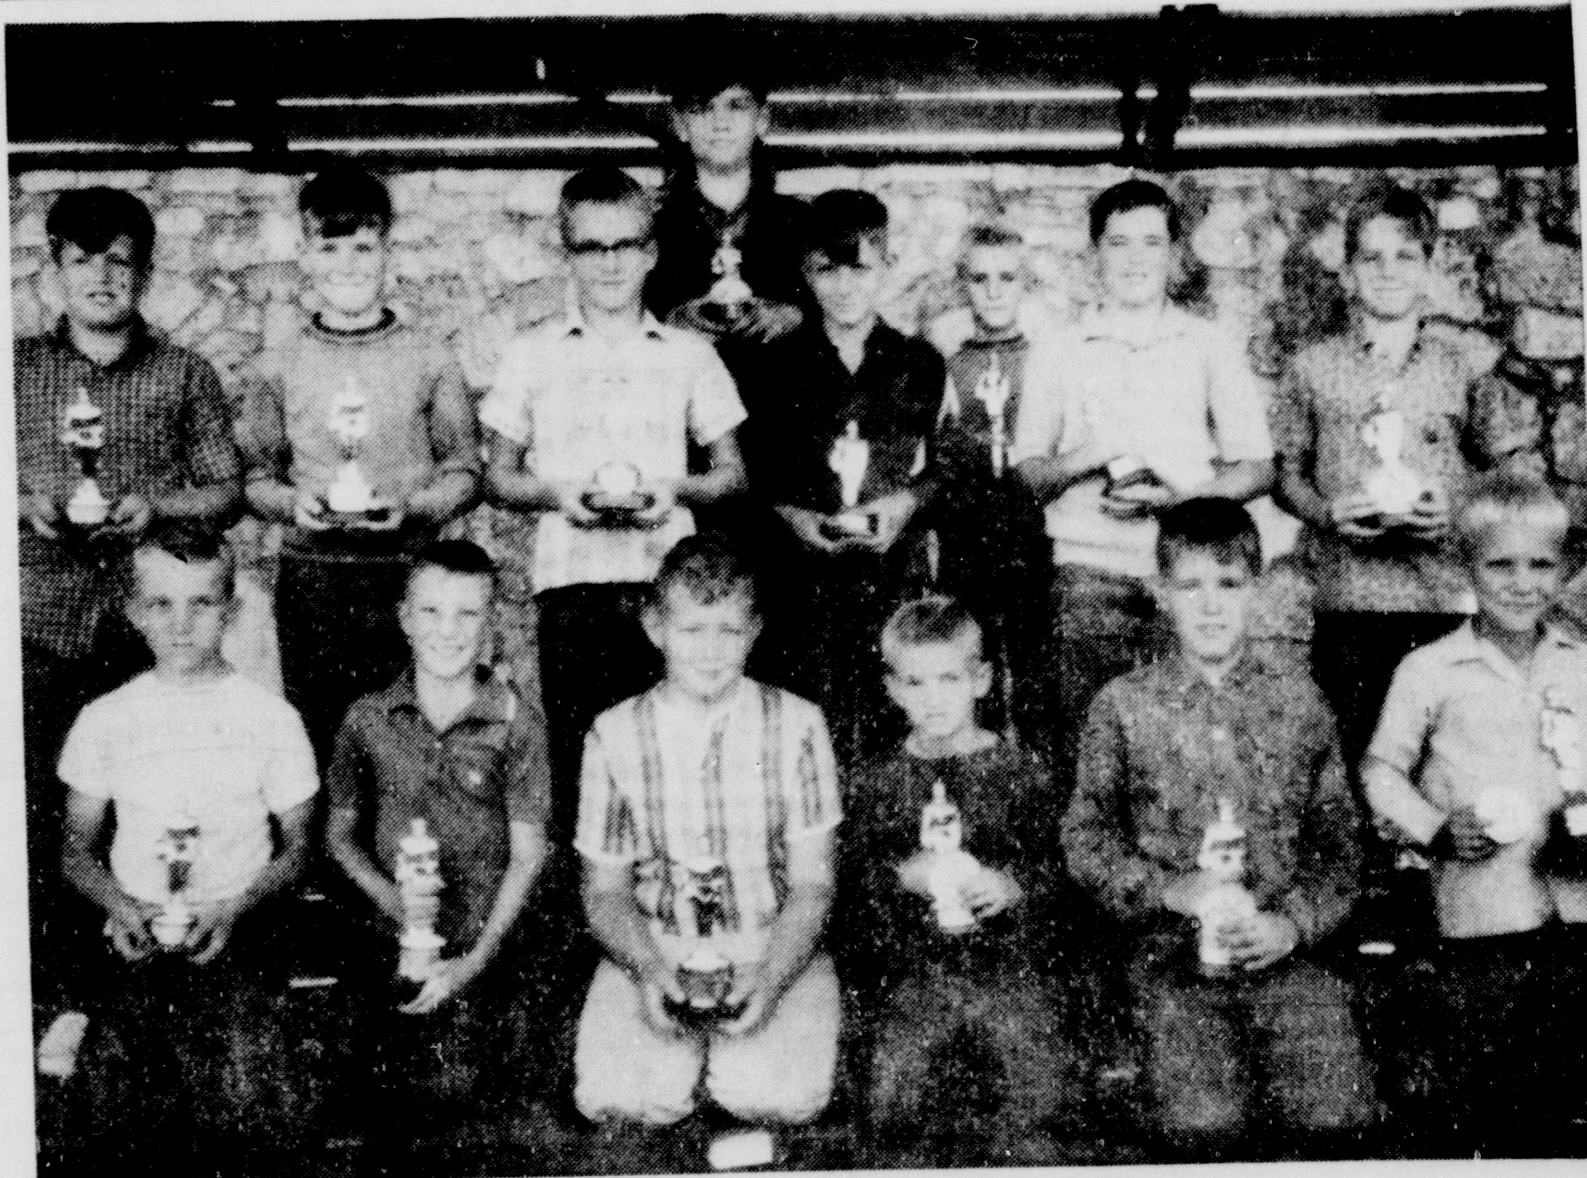

In the nine year old division Ricky Craig was first with a score of 150. Gerald Rodgers was second with 146 and Danny Knox, third with 127. Seventeen boys competed.

Celotex to Pioneer Urban Renewal Project In Atlanta, First of Many

For the first time in history a major national corporation is undertaking a large-scale urban renewal project, traditionally considered too unprofitable an investment for private business.

While this project will be located in Atlanta, Ga., it is important here in Hamlin because the corporation that is taking the lead with this pilot project is the Celotex Corp. (a Jim Walter Corp. subsidiary). This project in Atlanta may not have much effect on the local Celotex plant but this is just the first of many projects the firm plans to build throughout the nation.

Celotex was awarded the \$23 million slum-clearance project after the Atlanta

Housing Authority (AHA) selected its proposal over six others. The Friendship Baptist Church, a 105-year-old church with the largest Negro congregation in the city, is the non-profit sponsor and will assume ownership of the apartment community when it is completed.

The project will contain 34 one-bedroom units of 732-square-feet, 95 two-bedroom units with 852-square-feet, 30 three-bedroom units of 1,040-square-feet, 49 town houses of 850-square-feet, four laundry units and a 3,000-square-foot community building.

"While our summers got hotter and hotter, what are we to do?" Celotex vice president Eugene R. Kynes asked

at the announcement ceremony in Atlanta. "Attend more seminars, hear more speeches, make more tests?"

Celotex, he said, several months ago decided on a course of positive action — to build attractive housing these people could afford and build it now. And stump actively for other major national companies to do the same.

Jim Walter had spelled it out even more clearly in April in a speech before the National Building Material Distributors Association.

"... This concept of urban rebirth has caught the imagination of the American people. Make no mistake about it — despite the slow start of these government housing programs, ways will be found to provide decent housing for these millions of slum dwellers. The question before us is whether the job will be done mainly by private industry or simply left to government to work out through some framework of neo-socialism."

"Now the federal government has invited private industry to take part in these programs. They have come to us, seeking our capital and know-how and ideas to help lick this enormous problem of urban renewal."

"If we do not respond, and in a few years find ourselves providing housing by government decree, we will have no right to complain — because we had our chance!"

There'll be a low profit return on the best of these private enterprise projects, the corporation officers agree, and the profit margin will be especially low or non-existent on this pilot project.

But Kynes told his Atlanta audience that "some reasonable profit over a long term" can be expected by "Developing an expertise within our own company so we can perform efficiently in administration, finance, product research and development."

"Private business has just got to figure out how to do this," another official of the corporation comments. "We've not only got to do it, we've got to consider it our social responsibility to do so."

Junior High Results

The Hamlin Mighty Mice, eighth grade team, was downed by Anson eighth graders at Anson Tuesday evening, 34-12.

Zoan Winegeart, Bill Cochran Exchange Wedding Vows Oct. 7

Zoan Adell Winegeart and John William Cochran exchanged wedding vows Saturday, Oct. 7, in the home of her aunt, Mrs. L. Anderson, in Chandler, Ariz.

Mr. R. E. Gulley, minister of the Chandler Church of Christ, officiated. Wedding music was recorded.

Parents of the couple are Mr. and Mrs. A. J. Winegeart of Hamlin and Mr. and Mrs. J. E. Cochran of Homestead, Fla.

Mrs. Richard Winegeart of Lubbock was maid of honor and Mrs. George Winegeart,

also of Lubbock was bridesmaid.

George Winegeart and Richard Winegeart, both brothers of the bride from Lubbock, were best man and groomsmen, respectively.

Given in marriage by her father, the bride wore a street length dress of white brocade taffeta with full pleated skirt and an imported lace jacket. Her shoulder length veil was attached to a white satin rose. She carried a white orchid atop a white Bible.

Attendants wore street length dresses of pale blue acetate with veils of blue organza held by white velvet ribbon. They carried a single long stemmed white rose.

Candles were lighted by Richie Don and Mike Winegeart of Lubbock, the bride's nephews.

The reception was hosted by Mr. and Mrs. Anderson. The table was covered with a cut-work cloth and centered with an arrangement of white and blue carnations. Hardrock crystal appointments from Germany were used. Thirty-four guests attended.

The bride is a graduate of Hamlin High School and attended West Texas State University in Canyon.

The bridegroom was graduated from Homestead High School and attended Southdade Junior College in Miami, Fla.

The couple is living at 2900 Orange in Riverside, Calif. He is stationed at March Air Force Base.

Social Chairman

Elizabeth Cunningham, Hardin - Simmons University junior from Hamlin, has been elected social chairman and chaplain of the Epsilon Eta Phi, national business sorority. Miss Cunningham, daughter of Mr. and Mrs. L. J. Cunningham, is majoring in business education. She is a graduate of Hamlin High School where she was a member of National Honor Society.

TOPS Club Holds Unique Style Show Tuesday Evening

A unique style show was presented by the Sweet Peas, the loser of a recent contest in the Determined Pipers TOPS Club, at the meeting Tuesday evening in the high school cafeteria.

Mrs. Melvin Scott, narrator, described new fall fashions as the members modeled unusual creations.

Mrs. Charles Ferguson's mini-skirt sack dress was a salt sack with completely "dropped" belt that trailed on the floor. Her box-toed shoes were the boxes that the shoes came in. Mrs. Vernon Johnson's waffle pique dress with bell sleeves featured real waffles on the skirt and real bells at the sleeves. Her "spectator" pumps had real potatoes on the toes.

A maize formal modeled by Mrs. Henry Downey was complete with maize head appliques. The removable long skirt changed the attire to an after five go-go dress.

Ten members and one guest, Mrs. Willie Tabb, were present.

The next meeting will be Oct. 26 at 7 p.m. in the high school cafeteria.

Phebean Class Installs Officers Thursday Evening

Phebean Sunday School Class of First Baptist Church met in the home of Mrs. J. C. Lain Thursday evening.

Methodist Women to Observe 'Call to Prayer and Self-Denial'

Members of the Woman's Society of Christian Service of First Methodist Church of Hamlin will participate this week in one of the most important annual observances of Methodist women throughout the United States.

The "Call to Prayer and Self-Denial," initiated by Methodist women in 1887, as a week of prayer and self-denial, focuses on guided mission study, a much needed offering for special mission projects, and a deepened spiritual life. More than 1,600,000 women in 36,000 Societies and Guilds in all 50 states will join in the observance.

The theme of the 1967 Call to Prayer and Self-Denial is "Feed My Sheep," taken from John 21:17, emphasizing love

Boys 4-H Club Organized Here

The Hamlin boys 4-H Club met in the Hamlin Grade School at 1:15 p.m. on Oct. 9 for their organizational meeting of the new year.

Jones County Agent, Kirby Clayton, met with the group and explained the purpose of 4-H work to the new members. The 4-H expansion program was also explained by the agent in an effort to secure new members. The Agent passed out new prospect enrollment blanks to the 4-H members and asked that they enroll one or more new members for the Club.

The following officers were elected for the 1967-1968 club year: president, Eddie Long; vice president, Sammy Wilcox; council delegate, Gerry Young; and secretary, Tommy Gabriel.

Paraquat, Diaquat Not Approved by FDA, Agent Warns

The use of paraquat or diaquat as a desiccant or weed killer is not a recommended practice and has not been cleared with the FDA, says Jones County Agent, Kirby Clayton. If grain has been treated with the above materials it may be used for seed, but should not be put in the channels of trade for livestock or human consumption.

Sodium chlorate at a maximum rate of 6 lbs. per acre along with metaborate as fire suppressant may be used for desiccating leaves and will kill some of the weeds. It has been approved by the Food and Drug and grain may go with the regular channels of trade after its use.

Farmers who need additional information should contact the County Agent's office.

Attitude... OF PRAYER

"Give ear to my words, O Lord, consider my meditation. Harken unto the voice of my cry, my King, and my God: for unto thee will I pray."
Psalms 5:1-2

God hears and answers prayers, but not everyone knows how to pray. Even the Lord's disciples asked that he teach them how to pray.

Attitude of the individual is important in prayer. Prayer is the opportunity that we have to tell God of our blessings and give thanks. It is an opportunity to petition for help, but above all, our hearts should be willing that God's will be done.

Prayer should be offered individually and in groups.

ATTEND CHURCH
AND
PRAY WITH OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Friday night's exhibition at Colorado City proved that it was not Friday the 13th for the Pipers. They played a great game in spite of some injuries early in the game.

Friday the 13th bad luck did show up when several mishaps occurred on the way to Colorado City. One bus had a flat and one of the Pep Squad buses had motor trouble and the girls had to double up on the other bus.

The band had their share of the bad luck on their way home. Just this side of Sylvestor when the new bass drum blew off the pickup and a bus ran over it. The old bass drum will have to be placed back in service or the much larger concert drum will have to be used for the remainder of the games until a new drum can be obtained.

The band and pep squad did not let bad luck enter into the half time performance. The Marching Green presented the basic drills and patterns that will be used at Marching Contests Nov. 4 in Odessa.

Kathy Ponder To Head 4-H Club

The Hamlin 4-H Girl's Club was organized for the 1967-68 school year when Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, met with them at the Hamlin Junior High Building Monday with 60 girls enrolling.

The Agent discussed the meaning of 4-H, the emblem, motto, the pledge, the 4-H prayer and the requirements of a 4-H'er.

The different demonstrations the 4-H Club girls can carry was discussed. The different areas that 4-H'ers can work are Foods and Nutrition, Clothing, Money Management, Public Speaking, Bedroom and Home Improvement, Leadership and Safety.

Officers elected were: president, Kathy Ponder; vice president, Martha Ellison; secretary-treasurer, Teresa Braley; reporter, Janise Hardy; council delegate, Gayla Walton; song and recreation leaders: Carla Adair, Retha Pritchard, and Denise Russell.

Mothers or interested adults who would like to be a leader for several of the 4-H Club girls are urged to contact Mrs. Newberry.

Pipers Wipe Out C-City, 26-8

Plagued with ankle injuries, the Pipers had to fight with their backs to the wall to hold on to a first half lead of 6 to 2 over the Colorado City Wolves Friday night, and then exploded for three touchdowns in the second half to take their first district game, 26-8.

Piper Tailback Phillip Simpson added to his fan club as he tore up the C-City defenses with his quick, determined blasts into the line for a total of 180 yards in 21 carries and three touchdowns. The Piper forward wall ripped gaping holes in the C-City line to spring Simpson loose into the Wolf secondary.

Quarterback Paul Long scored the fourth Hamlin TD on a keeper that fooled the entire Wolf squad and most of the fans as well as he scored from eight yards out. Long also picked up two key first downs as he ably assisted the Piper ground attack.

The Piper defensive team suffered a severe blow on the first play of the game as defensive end Milton Davis came limping off the field with a bad ankle. He saw only limited action during the remainder of the game on defense but was able to play his offensive tackle position during most of

the second half. Adding to their defensive woes, Linebacker Terry Holt came up with a bad ankle in the early part of the game that hampered him for the rest of the night.

After both teams had punted following the kickoff, the Pipers pounced on a C-City fumble on the Wolf 25 yard line to set up the first score of the night. Simpson drove down to the 19 and then Long kept the ball and gained a first down at the 14. Simpson broke away from several would-be tacklers and raced into the end zone for the first tally of the night. Quarterback Bob Clifton had trouble getting the ball down for Jimmy Hastings and the try for the extra point failed.

Colorado City came back after the kickoff and drove from their 26 down to the

Piper three yard line from where they owned the ball with first and goal to go. Two carries netted them two yards to the one, but the middle of the Piper line would not give and two more tries by the Wolves failed to penetrate the Piper goal and Hamlin took over on the one foot line.

Simpson moved the ball out to the three and then was stopped for no gain. Halfback Sammy Ferguson was tackled two yards deep in the endzone trying to get off a quick kick

and managed to fight his way back to the one yard line. Charlie Shira was called on to punt in the place of the injured Davis and it was ruled that his foot was out of the endzone and C-City was awarded a two-point safety and Hamlin kicked off from the 20.

The Pipers stopped the Wolves on their own 19 and moved the ball out to mid-field just before the half ended.

Ferguson returned the second half kickoff back 22 yards to the Hamlin 32 from where Simpson carried out to the 40 and Ferguson gained a first down at the 44. On the next play Simpson broke over his left tackle and raced the 56 yards to pay dirt. Hastings added the point after and the Pipers led 13-2 with just over a minute gone in the second half.

Colorado City came roaring back with a 64 yard drive to score in 11 plays. The Pipers held them three downs inside the five but Tailback Dan Steakley took a pitchout and raced the three yards in to score. The pass try for the two points failed and the Pipers still owned a 13-8 lead.

The Pipers came right back with another score as they drove 68 yards again in 13 plays on the running of Simpson, Ferguson and Fullback Gary Smith. A ten yard pass from Long to Ferguson also helped keep the drive alive. Simpson took over the attack at the 35 and carried six times on runs of 13, 5, 4, 5, 4, and 4. The final one being for the score. Hastings again added the point after and the Pipers were ahead 20-8 with a minute and a half left in the third period.

The Wolves made their last serious threat as they drove down to the Piper 25 yard line before End Earnest Ledbetter threw them for a 13 yard loss on fourth down.

Taking over on the 41, Simpson, Ferguson and Long again teamed up to move the ball the 59 yards for the final score. With the ball on the 18, Ferguson moved into Simpson's tailback slot and carried for gains of 6 and 4 yards for a first down at the eight. Faking to Ferguson into the line, Long rolled out around his left end and went into score standing up. The point after was blocked.

C-City moved back down to the Hamlin 37 before losing the ball on a fumble back on their own 47. The Pipers ran out the clock in two plays to sew up their first district contest.

Rev. Marvin Ward Ordained Sunday In Kingfisher, Okla

Rev. Marvin L. Ward, son of Mr. and Mrs. Lee Ward was ordained in services Sunday in Oak Street Baptist Church in Kingfisher, Okla.

Attending the services from Hamlin were his parents and his grandmother, Mrs. John Little.

Rev. Ward, 26, assumed his duties as pastor of Oak Street Church Sept. 17. He and his wife, the former Wilma Wilson whom he married in June, moved to Kingfisher from Oklahoma City when he accepted the pastorate.

The new minister's father, Lee Ward, a deacon in the Hamlin First Baptist Church, gave the ordination prayer.

Rev. Ward was licensed to preach by the Soldier Creek Baptist Church in Oklahoma City and the pastor of that church, Rev. Clold Sullins, preached the ordination sermon.

Rev. Ward has done evangelistic preaching and has completed one academic year at Oklahoma Baptist University, Shawnee, Okla. The Kingfisher church is his first pastorate.

A reception followed the service.

The young minister was graduated from Rotan High School and served in the Air Force for four years.

More than one-fourth (3,089) of Texas wells in 1966 were "wildcat" wells which seek new fields. Only 23% found oil or gas.

"Wildcat" wells were drilled in 207 of Texas' 254 counties during 1966.

About 30% of Texas, or some 50 million acres, is under lease for oil and gas exploration.

Texas has derived \$66.3 billion from crude oil sales.

Neinda Philosopher Claims Child Psychologist's System Has Been Going On For Some Time

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One may be way out of his field this week, but then we're not sure what his field is anyway.

Dear editor:

Sandwiched in between a bunch of articles on what to do about Viet Nam by people who don't know either and how Congressmen can cut spending and raise taxes without losing their jobs, in a newspaper I found hanging on a fence out here on this Johnson grass farm yesterday morning, was an article on a new technique developed by some child psychologists for getting smart but indifferent children to learn in school.

The psychologists said there are lost of intelligent kids in school who simply won't learn, despite all the motivational devices the teachers employ.

So they've hit on what they call a brand new idea! They shout at them.

Ask a kid what he has just read on a page and if he says "I don't know," shout at him, tell him to read it again and keep shouting until he does

and gives a satisfactory report. The teachers, who probably had been wanting to scream for some time anyway, reported the kids at first burst into tears but then, to get rid of the shouting, buckled down, and the psychologists announced they were pleased to have discovered a new technique.

I don't know anything about psychology, except that most child psychologists don't seem to have much better luck raising their kids than other parents, but I don't believe that screaming at kids is a very new idea.

I don't mean to say you can't over-do it, but I doubt if there are very many successful grownups who weren't shouted at from time to time when they were children. It's my guess that there are times when reasoning is the proper course in handling a child, but there are other times when nothing else is quite so apt and dmanded than an unpremeditated top-of-the-lungs shout. I know a few teenagers right now who'd be in better shape if somebody had blasted

them into line with a few screams when they were five or six.

Of course when you run into a kid that screams back, you've got a different situation. There are some problems with no answers, as me and Congress very well know.

Yours faithfully,
J. A.
